Ten Fabulous Fashion Websites

Nicole Mandowsky

After viewing and investigating fashion favorite websites I have chosen my top 10 best fashion websites. These websites give free information to budding and seasoned fashionistas alike about global fashion trends, top designers, the hottest models, fashion advice, beauty tips, celebrity happenings and more. Each site holds its own unique identity, which provides inside information about what's going on in the ever dynamic world of fashion.

www.Models.com - Features the top and up and coming models in the fashion industry

www.Lucire.com - Features global trends regarding fashion, beauty, travel, living, and celebrity news

www.Style.com - This website is created by Vogue and W. Fashionistas can check out thousands of runway looks by season, designer, and trends. Individuals can create a look book that features all of your personal favorite runway looks, which can be shared to the public.

www.Fashion.net - Watch runway shows, find out the latest trends, shop, and even find a job in the fashion industry.

www.Hintmag.com - This site features photo shoots, designer interviews, interesting news, and models.

www.Focusonstyle.com - Here you can shop, find loads of fashion advice, designer fashion shows, and beauty tips.

www.Beauty.ivillage.com - Find style advice, cool quizzes, tips, and celebrity fashion news.

www.Nytimes.com/pages/fashion - Random fashion news articles- also has exclusive designer bios and interesting articles written from other sources.

www.Stylehive.com - One of my favorite sites. Provides viewers with unique fashion items, and fashion news. Also features over one hundred different web sites to shop at such as www.shopintuition.com and www.revolveclothing.com

www.Intstyle.com - Great fashion blog giving viewers the chance to be aware of certain fashion issues such as How to know your Louis Vuitton is real, How to find your perfect jeans, and the right haircut for your face shape etc.
